Mission, Vision, and Strategic Priorities of Florida State University

Prologue: Florida State University was founded in 1851 and has developed from one of the nation’s preeminent women’s colleges into a comprehensive graduate-research university, offering a broad array of academic and professional programs at all degree levels.

Mission: Florida State University preserves, expands, and disseminates knowledge in the sciences, technology, arts, humanities, and professions, while embracing a philosophy of learning strongly rooted in the traditions of the liberal arts. The university is dedicated to excellence in teaching, research, creative endeavors, and service. The university strives to instill the strength, skill, and character essential for lifelong learning, personal responsibility, and sustained achievement within a community that fosters free inquiry and embraces diversity.

Vision: Florida State University will be among the nation’s most entrepreneurial and innovative universities, transforming the lives of our students and shaping the future of our state and society through exceptional teaching, research, creative activity, and service. We will amplify these efforts through our distinctive climate—one that places a premium on interdisciplinary inquiry and draws from the rich intellectual and personal diversity of our students, faculty, staff, and alumni. These three forces—entrepreneurship, interdisciplinarity, and diversity—deepen FSU’s impact and result in a powerful return to our students and the people of Florida for their continued support and trust.

Strategic Priorities for the 2017-2022 Strategic Plan:

Strategic Priority 1.0 - Deepening our distinctive commitment to continuous innovation.

Goal 1.1 - Expand and incentivize FSU’s internal capacity for innovation.

Goal 1.2 - Increase the University’s role as an engine for Florida’s economic development.

Goal 1.3 - Translate FSU research, scholarship, and creative production into applications that enhance economic development and quality of life.

Strategic Priority 2.0 - Amplifying excellence across our academic and research programs.

Goal 2.1 - Define and develop an FSU “faculty for the future”.

Goal 2.2 - Enhance the quality of graduate education to achieve preeminence in strategically important areas of study and research.

Goal 2.3 - Strengthen the excellence and reputation of the University’s professional schools.

Goal 2.4 - Encourage and incentivize high-impact, interdisciplinary and inter-college initiatives that address pressing societal issues.

Goal 2.5 - Expand innovative teaching strategies.

Goal 2.6 - Enhance FSU’s strategy for expanding its global footprint and fostering a culturally rich learning environment on campus.

Strategic Priority 3.0 - Realizing the full potential of diversity and inclusion.

Goal 3.1 - Increase the diversity of FSU’s student body, faculty, and staff.

Goal 3.2 - Expand and strengthen academic and co-curricular programs, as well as administrative initiatives, that increase diversity and inclusiveness.

Goal 3.3 - Develop globally and culturally competent students who are prepared to succeed in an increasingly multicultural and international society.

Strategic Priority 4.0 - Ensuring student success on campus and beyond.

Goal 4.1 - Expand FSU’s high-impact programs of advising, leadership development, community-building, and academic support.

Goal 4.2 - Deepen FSU’s tradition as an engaged campus community that makes a difference locally and abroad.

Goal 4.3 - Ensure that FSU remains a welcoming and safe campus community that develops the “whole person” and promotes well-being for all students.

Goal 4.4 - Broaden and strengthen engagement with FSU alumni and friends worldwide.

Strategic Priority 5.0 - Preparing our graduates for 21st century careers.

Goal 5.1 - Expand experiential, cross-cultural, and collaborative learning.

Goal 5.2 - Provide students strong career advising and mentoring.

Goal 5.3 - Engage graduate students in programs and services that prepare them for employment opportunities within and outside of the academy.

Goal 5.4 - Leverage technology and relationships with employers and workforce development agencies throughout Florida for the benefit of students and alumni.

Strategic Priority 6.0 - Investing strategically in our institution and reputation.

Goal 6.1 - Build and promote a public identity for FSU that reflects our impressive academic strengths and achievements.

Goal 6.2 - Strengthen the University’s financial foundation.

Goal 6.3 - Provide an up-to-date and adaptable information infrastructure.

Goal 6.4 - Foster a culture of service, problem solving, and teamwork among all FSU employees.

Goal 6.5 - Incorporate sustainable living practices into all FSU activities.

Note: On October 28, 2017, the FSU Board of Trustees approved the prologue, mission, vision, strategic priorities, supporting goals, and initiatives (not included herein), submitted by the 22-member Strategic Planning Committee. More information is available online at: strategicplan.fsu.edu

Florida State University Perspective

Overview

Florida State University is a public, fully accredited, coeducational research institution, and one of twelve universities comprising State University System of Florida, led by the Board of Governors. Located in Tallahassee, Florida's capital city, the University affords students and faculty opportunities for interaction with state and federal agencies for internships, research, and part-time employment, as well as a myriad of social, cultural, and recreational activities. The main campus is located on 485.7 acres in Tallahassee with other facilities owned in Leon, Bay, Collier, Franklin, Sarasota, and Gadsden counties, and leased in Escambia, Jackson, Leon, Orange, St. Lucie, and Volusia counties in Florida, and other locations overseas. The University owns a total of 1,715.5 acres.

Founded in 1851, Florida State University is a comprehensive, national, graduate-research university offering more than 280 outstanding academic and professional degrees in top flight programs ranging from Business and Physics to Music and Creative Writing. Florida State University provides extraordinary opportunities for undergraduate students to build a strong foundation in their chosen fields; study abroad at the University's overseas campuses; engage in scores of service activities; benefit from world class library and technical facilities; participate in extensive intramural and recreational events; and interact with some of the finest students and faculty in the nation in a distinctive, welcoming environment. The University instills the strength, skill, and character essential for lifelong learning, personal responsibility, and achievement.

With 18 colleges, students may take courses of study leading to the baccalaureate degree in 103 degree programs, to the master's degree in 106 degree programs, to the specialist degree in 6 degree programs, to the doctorate degree in 63 degree programs, and to the professional degree in 4 degree programs. The academic divisions are the Colleges of Applied Studies; Arts & Sciences; Business; Communication & Information; Criminology & Criminal Justice; Education; Engineering; Entrepreneurship; Fine Arts; Health & Human Sciences; Hospitality; Law; Medicine; Motion Picture Arts; Music; Nursing; Social Sciences & Public Policy; and Social Work.

At FSU, 81.3 percent of the enrolled students attend full time. Undergraduates comprise 73.5 percent and graduate students 24.4 percent of the total enrollment of 44,597 students in the Fall of 2022. The remaining 2.1 percent are considered unclassified. The average age of all students is 23.0; of undergraduates, 20.5; and of graduate students; 30.2.

The State University System operates under the supervision of the Board of Governors, State of Florida. Florida State University is governed by a Board of Trustees, which was established in July, 2001. The twelve governor-appointed members of the Board of Trustees are: Peter Collins (chair), Maximo Alvarez, Kathryn Ballard, Bridgett Birmingham (Faculty Representative), Vivian de las Cuevas-Diaz, Jorge Gonzalez, Jim W. Henderson, Justin Roth, Deborah Sargeant, Bob Sasser, John Thiel, Drew Weatherford, and the thirteenth member of Florida State University's Board of Trustees is the current student body president, Jackson "Jack" Hitchcock.

Research and Special Programs

Florida State University has built a reputation as a strong research center in both the sciences and the humanities. It is expected that more than \$287 million in external funds will be generated this year by the faculty and administration as supplements to state funds used for research. These external funds are in the form of contracts and grants from private foundations, industries, and government agencies, and are used to support research, improve research facilities, and provide stipends for graduate students.

Florida State is well known in the natural sciences for its basic research programs in biology, chemistry, meteorology, nuclear science, oceanography, physics, and psychology. Strong basic and applied research programs are also found in computer science, geology, mathematics, and statistics. As a nationally recognized center of excellence in graduate training in the visual and performing arts, the University offers professional training in music, theatre, and dance performance and theory.

For over 65 years, Florida State University International Programs has been a nationally recognized leader in the field of international higher education. Program opportunities include spring, summer and fall semesters at our four study centers, summer terms in additional locations, Spring Break programs, First Year Abroad for incoming freshmen, and international internships. The year-round study centers are located in Florence, Italy; London, England; Panama City, The Republic of Panama; and Valencia, Spain. FSU credits are earned for all courses and are transferable within the US university system, in accordance with each student's home university regulations. FSU International Programs consistently ranks among the top public universities in the nation for "long-term duration" of study abroad experiences thanks to its unique First Year Abroad program.

FSU operates the Ringling Center for the Cultural Arts in Sarasota, which includes the John and Mable Ringling Museum of Art, the largest museum/university complex in the nation. Also on the property and operated by FSU is the Florida State University Center for the Performing Arts, which houses the Asolo Repertory Theatre.

Florida State University has both an Air Force and an Army Reserve Officers' Training Corps (ROTC) program. FSU students may apply for admission to the Navy ROTC Program offered through Florida Agricultural and Mechanical University in Tallahassee. The FSU Student Veterans Center is the hub for the university's veteran-support programs and resources. Veterans, active military personnel, National Guard and Reserve members, and their dependents can get assistance with their federal educational benefits from the Student Veterans Center.

FSU is a founding member of the Florida LambdaRail, a consortium of universities created to facilitate advanced research, education, & economic development activities. The network consists of 1,540 miles of dark fiber/optical equipment, operating at 10 gigs/sec. & allowing up to 32 independent networks to exist. FSU has a supercomputing grid that enables researchers to use high capacity computing to support complex investigations.

Florida State University Perspective

University Libraries provide collections, resources, and services to enhance the learning, teaching, research, and service activities of the Florida State University. The Libraries' collections include over 4.5 million titles, and the website offers access to 653 databases, and more than 119,159 electronic journals. Materials not available online or at the Libraries may be requested through interlibrary loan or the statewide UBorrow system, offering FSU faculty and students access to millions of books from 39 other state university and college libraries. The Library Express Delivery Service (LEDS) delivers books and articles to faculty, post-docs, graduate, teaching, and research assistants daily. Strozier and Dirac Libraries fully reopened in the Fall of 2022 after limited hours during the COVID-19 pandemic. For 2021-2022, both libraries reported over one million visitors, down from pre-pandemic visitor counts, but up from last fiscal year when libraries' hours varied from closed and partially reopened. The FSU Libraries include Robert Manning Strozier Library (Main), Paul A. M. Dirac Science Library, Mildred and Claude Pepper Library, the FAMU-FSU College of Engineering Library, and FSU Panama City - Florida Library and Learning Center. The following are designated dean-directed libraries: Warren Allen Music Library, College of Law Legal Research Center, College of Medicine Medical Library, and the John & Mable Ringling Museum of Art Library in Sarasota, Florida. International Programs study centers also provide library services, resources, and spaces.

Among the special programs which have won national or international distinction in research are the Program in Nuclear Research, Institute for Molecular Biophysics, FSU Marine Laboratory, Center for Music Research, Learning Systems Institute, Institute of Science and Public Affairs, Resilient Infrastructure & Disaster Response Center, and the College of Motion Picture Arts. FSU was awarded the Association of Public and Land-grant Universities (APLU) 2021 Degree Completion Award. The award is recognized as the most prominent in the country for student success. The APLU selected FSU for achieving a record-high 74 percent four-year graduation rate last year while nearly eliminating gaps by race, ethnicity, and income level.

In 1990, the National Science Foundation announced that FSU would be the home of the National High Magnetic Field Laboratory. A joint project with the University of Florida and Los Alamos National Laboratory, the lab became the nation's top center for research on magnets millions of times more powerful than the Earth's magnetic field. This facility is the first national lab to be located in Florida and went into operation in 1994. Research at the lab is conducted in such diverse fields as biology, materials science, medicine, physics, chemistry, engineering, and superconductivity.

Seal of Florida State University

The seal of Florida State University, which was designed by the combined talents of the Art and Classics Departments, has its origins in the first decade of the 20th century during the administration of President Albert A. Murphree. It was updated in the year 2000 to accurately reflect the year that Florida State University was created, 1851. In 2005, minor cosmetic updates were made.

The torches of the seal symbolize the fire given to man by the Greek god Prometheus. This fire enabled man to elevate himself above the animals and become human. The torches of the FSU seal symbolize the purpose of the University: the passing on of knowledge from generation to generation. The torch on the left is Vires: strength of all kinds, physical, moral and intellectual. The center torch is Artes: that which we acquire - knowledge which transcends skills, the appreciation of beauty. The torch on the right is Mores: customs, character and tradition. Through these three ideals the student is educated physically, mentally and morally.

History of Florida State University

Florida State University, one of the largest and oldest of the twelve institutions of higher learning in the State University System of Florida, had its beginnings as early as 1823 when the Territorial Legislature began to plan a higher education system. In 1825, the Federal Government reserved two townships for the purpose of maintaining institutions of higher education in the territory, and on March 3, 1845, the United States Congress, in an act supplemental to the act admitting Florida as a state in the Union, added two more townships. These townships were granted to the State for the use of two seminaries of learning, one to be located east and the other west of the Suwannee River. The Legislature of the State of Florida in a Legislative Act of January 24, 1851, provided for the establishment of the two institutions of learning, their first purpose to be "the instruction of persons, both male and female, in the art of teaching all the various branches that pertain to a good common school education; and next to give instruction in the mechanic arts, in husbandry, in agricultural chemistry, in the fundamental laws, and in what regards the rights and duties of citizens."

By 1854, the City of Tallahassee had established a school for boys called the Florida Institute with the hope that the State could be induced to take it over as one of the seminaries, and in the 1854 session of the Legislature of Florida, the City of Tallahassee presented a memorial asking that the institution west of the Suwannee be located in that city. That effort was not successful, but in 1856 the Intendant (Mayor) of Tallahassee again offered the Institute's land and building to the Legislature. Francis Eppes, who spent his formative years on the estate of his grandfather President Thomas Jefferson at Monticello in Virginia and shared his views of the importance to a democracy of a liberally educated citizenry, was the Mayor of Tallahassee who made the offer. This time they chose to accept the offer and designated Tallahassee as the site of one of the state seminaries because of its railway connections, its "salubrious climate," and its "intelligent, refined, and moral community." The bill to locate the Seminary in Tallahassee passed both houses and was signed by the Governor on January 1, 1857. On February 7, 1857, the first meeting of the Board of Education of the State Seminary West of the Suwannee River was held, and the institution began offering postsecondary instruction to male students. Francis Eppes served as President of the Seminary's Board of Education for eight years and instilled in the institution the Jeffersonian ideals which characterize it today. The school first became co-educational the following year (1858) when it absorbed the Tallahassee Female Academy, begun in 1843 as the Misses Bates School. Thus the West Florida Seminary, founded in 1851, began operating in 1857, only twelve years after Florida achieved statehood. It was located on the hill where the Westcott Building now stands, which has been the site of an institution of higher education longer than any other site in Florida.

Classes were held at the West Florida Seminary from 1857 until 1863, when the state legislature changed the name to The Florida Military and Collegiate Institute to reflect the addition of a military section which trained cadets. During the Civil War, cadets from the school, ranging in age from twelve to eighteen, fought in the Battle of Natural Bridge and helped make Tallahassee the only Confederate capitol east of the Mississippi not captured during the war. As a result of the brave action of the West Florida cadets in this battle, the Florida State University Army ROTC cadet corps today is one of only three in the nation authorized to display a battle streamer with its flag, which bears the words NATURAL BRIDGE 1865. After the end of the war in 1865, however, Union troops under General McCook descended upon Tallahassee and occupied the city (including campus buildings), remaining for more than a month.

Following the war, the institution entered a period of growth and development. In 1884, the first diplomas, Licentiates of Instruction, were awarded, and by 1891, the Institute had begun to focus clearly on what we would today call post-secondary education; seven Bachelor of Arts degrees were awarded that year. By 1897, the institution had evolved into the first liberal arts college in the state, and in 1901, it became Florida State College, a four-year institution organized in four departments: the College, the School for Teachers, the School of Music, and the College Academy. Florida State College was empowered to award the degree of Master of Arts, and the first master's degree was offered in 1902. That year, the student body numbered 252 men and women, and degrees were available in classical, literary and scientific studies. In 1903, the first university library was begun. The following quote from the 1903 Florida State College Catalogue adds an interesting footnote to this period:

"In 1883 the institution, now long officially known as the West Florida Seminary, was organized by the Board of Education as The Literary College of the University of Florida. Owing to lack of means for the support of this more ambitious project, and also owing to the fact that soon thereafter schools for technical training were established, this association soon dissolved. It remains to be remarked, however, that the legislative act passed in 1885, bestowing upon the institution the title of the University of Florida, has never been repealed. The more pretentious name is not assumed by the college owing to the fact that it does not wish to misrepresent its resources and purposes."

In a 1905 reorganization of Florida's educational system by the Legislature, six state institutions of higher learning were consolidated into two when the University of Florida in Gainesville was established and designated a men's school and the Florida State College became a women's school called the Florida Female College. The male student body moved from Tallahassee to Gainesville, taking with it the fraternity system and the College football team, which had been state champions in 1902, 1903, and 1905. In 1909 the name of the college was changed to Florida State College for Women, an institution which grew to become the third largest women's college in the nation during the 1930s. The College became fully accredited in 1915, and a chapter of the National Honor Society of Phi Kappa Phi was installed in 1925, the year after the College was placed on the list of standard colleges and universities approved by the Association of American Universities and became a member of the Association of

History of Florida State University

American Colleges. In 1935, the first chapter of Phi Beta Kappa in the state, Alpha Chapter of Florida, was installed at the College, a mark of its status as a true liberal arts college

The year 1947 saw many changes. Demand by returning World War II veterans had brought men back to the campus in 1946 with the establishment of the Tallahassee Branch of the University of Florida, and on May 15, 1947, the Governor signed an act of the Legislature returning Florida State College for Women to coeducational status and naming it Florida State University. A permanent president's residence was acquired. The student body, numbering 4,056, chose a new alma mater and selected the Seminole as their mascot. The Flying High Circus was born, and football was started again when the first home game since 1905 was played in October. Three years later Campbell Stadium was built. The first Student Union was established and housed in the "O Club" on West Campus, a former Army Air Base which housed mainly male students and provided some classroom space three miles west of the main campus.

The 1950s brought further development and expansion to the University. To the colleges and schools which had existed since the Florida State College days (Arts and Sciences, Education, Home Economics, and Music) were added Library Science, Social Welfare (later split into Social Work and Criminology), Business, Journalism (discontinued in 1959), and Nursing. A student in the Department of Chemistry was awarded the University's first Ph.D. in 1952. A new building was completed for the Developmental Research School, which in 1905 had evolved from the High School and the College Academy of earlier days as the Observation and Practice School, created to provide on-site opportunities for experience and research to students in Education. Tully Gymnasium, Strozier Library, and the Business Building were completed to enhance the education of the ever-increasing student population.

In the 1960s the University acquired the Shaw Poetry Collection, established the institutes of Molecular Biophysics and Space Biosciences, and constructed nine new buildings, including the Oglesby Union and the Fine Arts Building. During this period, the Panama Canal Branch was opened, and the Program in Medical Sciences was established. The first black student enrolled in 1962, and the first black Ph.D. candidates graduated in 1970. Programs in African American Studies and Women's Studies were established. Continuing the liberal arts tradition begun in the 1890's, the Liberal Studies Program required of all undergraduates was expanded and strengthened.

Before 1887, the institution's chief executive officer had the title Principal, but this was changed to President with the appointment of George Edgar in 1887. He was followed by Alvin Lewis in 1892, and Dr. A. A. Murphree in 1897. Dr. Murphree, who came to the Seminary in 1896, became president of Florida Female College in 1905. When he left to become president of the University of Florida in 1909, Dr. Edward Conradi became president of Florida State College for Women. In 1941, Dr. Doak S. Campbell became president. When Dr. Campbell retired as president of Florida State University on June 30, 1957, Dr. Albert B. Martin served as acting president until September 1, 1957, when Dr. Robert Strozier became president. At Dr. Strozier's death in April of 1960, Dr. Milton W. Carothers became acting president to serve until Dr. Gordon Blackwell took over the duties of president on September 16, 1960.

On February 1, 1965, Dr. John E. Champion became acting president replacing Dr. Gordon Blackwell, who resigned. Dr. Champion was named president on June 22, 1965; he resigned February 17, 1969, and Dr. J. Stanley Marshall was appointed acting president on the same date. On June 6, 1969, the Board of Regents named Dr. Marshall President; he resigned August 31, 1976. Dr. Bernard Francis Sliger became Interim President upon Dr. Marshall's resignation, and on February 7, 1977, the Board of Regents named Dr. Sliger President. At the Fall Meeting of the General Faculty on September 18, 1990, the Dean of the Faculties read a statement on Dr. Sliger's behalf announcing his resignation as president effective August 1, 1991. On March 11, 1991, Dr. Dale W. Lick was designated to succeed Dr. Sliger as president on August 1, 1991. After Dr. Lick's resignation on August 31, 1993, Dr. Sliger was again named Interim President. On November 29, 1993, H. Talbot "Sandy" D'Alemberte was designated president effective January 3, 1994. He was succeeded by Dr. Thomas K. Wetherell on January 6, 2003. Eric J. Barron took the position of 14th president on February 1, 2010. Following Barron's resignation, the Florida State University Board of Trustees named Dr. Garnett S. Stokes as Interim President effective April 2, 2014. John Thrasher became FSU's 15th president on November 6, 2014 and served until August 15, 2021. Richard McCullough was named the 16th president on August 16th, 2021.

In each succeeding decade, Florida State University has added to its academic organization and presently is comprised of eighteen independent colleges. It has expanded from the original few acres and buildings to 394 buildings on 1,715.5 acres, including the downtown Tallahassee main campus of 485.7 acres, a farm which for many decades supplied the Florida State College for Women with food, the Seminole Reservation--a recreational facility, the Coastal and Marine Laboratory on the Gulf Coast, the FAMU/FSU College of Engineering facility, the National High Magnetic Field Laboratory and Division of Research at Innovation Park, and the branch campus in Panama City, Florida. One hundred and seventy-one years after its founding, Florida State University started the 2022-2023 academic year with a student population of 44,597 and recognition as a major graduate research institution with an established international reputation.

Governing Boards - Florida State University's Board of Trustees

Florida State University's Board of Trustees

Peter Collins (Chair), of Tampa, is Co-Founder and Managing Principal of Forge Capital Partners, LLC ("Forge"). Mr. Collins directs all private equity activities for Forge and is the CEO of Forge's real estate private equity fund business. Over the last 20 years, Mr. Collins has overseen more than \$1.5 billion of real estate and corporate transactions including over eight million square feet of commercial and residential real estate development/acquisitions/dispositions. Peter is a Trustee of the Florida State University ("FSU") Foundation and recently completed a 2-year term as Chair of the FSU Endowment. Peter is a member of the Executive Committee of the FSU College of Business Board of Governors.

Maximo Alvarez, born in Havana, Cuba, received his bachelor's degree from Florida State University in 1969 and his master's degree in 1970. Maximo founded Sunshine Gasoline Distributors, Inc, and grew the company from four gas stations to over 300 locations and supplies another 250 branded retail facilities. Because of his humble beginnings, Maximo has always believed in helping the community as well as the industry in which he has spent most of his career. Maximo has been involved in the Florida Petroleum Marketers Association and was elected Chairman of the Board in 2000 and inducted into its Hall of Fame in 2005. Maximo has been married to his wife, Esther, for over forty years, and they have three children.

Kathryn Ballard, of Tallahassee, has a long history of charitable and community work, including service on the Board of Directors of the Florida Special Olympics, the Florida State University College of Human Sciences Board, and the Board of Trustees of the Maclay School of Tallahassee. She also served as Chairman of the Maclay School Capital Campaign. Mrs. Ballard has been honored for Outstanding Achievement by the Florida Trust for Historic Preservation and the Tallahassee/Leon County Historic Preservation Commission for her efforts to restore Tallahassee's historic Lively House. Mrs. Ballard graduated from Florida State University in 1987 with a Bachelor of Science degree from the College of Human Sciences.

Bridgett Birmingham, of Tallahassee, joined the faculty of Florida State University in 2004 and currently serves as the Diversity and Inclusion Librarian for the University Libraries. Her research areas are primarily in design strategies for libraries including accessibility and usability of library spaces, services, and staff. She also collaborates with colleagues across her field of academic libraries to improve the leadership pipeline for academic libraries and to develop best practices for shared governance and service for research libraries. She has been a full University Librarian since and was the FSU Fred Standley Librarian of the Year in 2016.

Vivian de las Cuevas-Diaz, of Miami, was appointed to the Florida State University ("FSU") Board of Trustees by Governor Ron DeSantis on June 10, 2021. She works as an attorney at the Holland & Knight law firm and serves as the firmwide deputy section leader of the Real Estate Section. She received her bachelor's degree from FSU and her law degree from Tulane University. Outside of FSU, de las Cuevas-Diaz serves on the board of the Coral Gables Community Foundation and as a board member of the Miami-Dade Beacon Council.

Jorge Gonzalez, of Walton County, is the president and chief executive of The St. Joe Company, a Florida-based real estate development and operating company with additional interests in resorts, leisure, and forestry. Jorge holds undergraduate and graduate degrees from Florida State University. He serves or has served on various community, civic, and business-related organizations including the Florida Chamber Board of Directors, Enterprise Florida Board of Directors, Bay Economic Development Alliance (current Chairman), Northwest Florida Manufacturer's Council, Gulf Coast Regional Medical Center, FSU Panama City Development Board (former President), The St. Joe Community Foundation Board of Trustees, and Panama City Beach Chamber Board of Directors. Jorge is married to Pamela, who is also a proud FSU graduate, and they have one son, Jake.

Jim Henderson, of Longwood, is Chairman, CEO, and Founder of AssuredPartners, a national insurance brokerage firm. Prior to establishing AssuredPartners in March of 2011, Jim Henderson brought his insurance expertise to Brown & Brown when he joined the company as its CFO in 1985. Jim served in a variety of roles including President and Chief Operating Officer as well as Vice Chairman. Jim is a graduate of Florida State University with a BSBA in Accounting and Economics. Jim and his wife, Carole, have three children and eight grandchildren that all reside in Florida.

Justin Roth, of Miami, FL, is a partner at LINK Public Affairs, where he leads the Washington, D.C. office and provides strategic advice and counsel to clients on public affairs matters. Roth is a seasoned political and policy professional with expertise in legislative strategies, critical domestic policy matters and foreign affairs. He has more than two decades of experience in government affairs and lobbying for multiple trade organizations.

Deborah Sargeant, of Gulf Stream, is a Florida native who spent three years at Florida State University before finishing her bachelor's degree in accounting at California State University Long Beach. She is a former member of the Governor's Mansion Commission and volunteers her time with the Bethesda Hospital Foundation, Cason United Methodist Church, and the Delray Beach Historical Society.

Bob Sasser, of Norfolk, Virginia, is the Chief Executive Officer of Dollar Tree Stores, the nation's largest discount variety store. Bob is a graduate of Florida State University with a Bachelor of Science degree in Marketing. He was inducted into the College of Business Hall of Fame in 2009 and returns to FSU when possible to share his experience and ideas with students and faculty. Bob serves on the FSU Board of Trustees and the Foundation Board of Trustees. He is a lifetime member of the FSU Alumni association, a member of Seminole Boosters, a Double Golden Chief, and a member of the FSU Presidents Club.

John Thiel, of Florida, is an FSU alumnus and former Merrill Lynch executive. Thiel is a dynamic board director, trusted business advisor, and visionary financial services CEO. During his 28-year career with Merrill Lynch, Thiel served as head of U.S. Global Wealth Management, steering the iconic financial firm through a period of unprecedented change, including its acquisition by Bank of America and overseeing a \$15 billion business with 23,000 employees.

Drew Weatherford, of Tampa, is a Founding Partner of Weatherford Capital, a private investment firm focused on growth equity in tech businesses. Prior to this, Weatherford co-founded Strategos Group, a leading business consultancy and advocacy firm in Florida. Drew led the Florida State University football team for three years as starting quarterback for the Seminoles and graduated with a Bachelor's degree in Finance and Real Estate. He then went on to earn an MBA from Northwestern University.

Jackson "Jack" Hitchcock, of Gulf Breeze, FL, Florida State University's student body president, is the 13th member of the Board of Trustees.

President Richard McCullough

Richard McCullough became the 16th president of Florida State University on August 16th, 2021. Prior to joining FSU, McCullough served as vice provost for research and professor of materials science and engineering at Harvard University since 2012. Previously, McCullough spent 22 years at Carnegie Mellon University where he began his academic career as an assistant professor of chemistry in 1990. At Carnegie Mellon, he developed the Greenlighting Start-ups Initiative that exponentially increased the generation of university spin-out companies and corporate engagement, adding to his rich background in entrepreneurship and innovation.

A first-generation college student from Mesquite, Texas, McCullough attended Eastfield Community College before earning a bachelor’s degree in chemistry from the University of Texas at Dallas in 1982 and a doctoral degree in organic chemistry from Johns Hopkins University in 1988. He also spent two years as a postdoctoral fellow at Columbia University in New York.

He and his wife, Jai Vartikar, have two children and two granddaughters.

Tallahassee/Leon County, Florida

Brief History of the State of Florida and the City of Tallahassee

Thousands of years of Native American culture preceded the European discovery of the Florida peninsula. An estimated 100,000 Native Americans were living here at the time of its discovery by Juan Ponce de Leon in early 1513. As Ponce de Leon's arrival coincided with the Spring Pascua Florida festivities in Spain, he named the new land "Florida," which meant "filled with flowers." La Florida was also explored by another Spanish adventurer – Hernando de Soto. It is believed that de Soto and his army of over 600 men spent the winter of 1539-40 in an abandoned Apalachee Indian village located in what is now the city of Tallahassee.

Prior to 1821; Florida had consisted of two Spanish colonies that were ceded to Great Britain in the settlement of the Seven Years' War (1756-1763). In 1821, President James Monroe appointed Andrew Jackson as territorial governor. One of the new governor's first acts was to organize the territory into two counties, Escambia and St. Johns, with the Suwannee River serving as the dividing line. (In 1822, two more counties were added – Duval in the east and Jackson in the west). The legislative council met at Pensacola, the capital of West Florida, in 1822, and at St. Augustine, the capital of East Florida, in 1823. As these two chief settlements of the territory were separated by 400 miles of wilderness, it was desirable to select a central site as a capital. Two commissioners appointed by Governor William Pope Duval selected the then uninhabited area known as Tallahassee as the site for the permanent capital and the governor proclaimed it the capital on March 4, 1824. The territorial council met there for the first time in November of that year. Tallahassee had been the site of Indian settlements prior to and during the Colonial Era. Its name is a Creek Indian phrase generally believed to mean "old town" or "old fields." Florida was admitted to the union as the 27th state on March 3, 1845.

Tallahassee/Leon County Weather Facts

The average annual mean temperature at Tallahassee is 68.5°F; the average annual high temperature is 79.7°F, and the average annual low temperature is 57.2°F (based on the 1991-2020 period). July is typically the hottest month, with an average high temperature of 92.1°F and an average low temperature of 73.0°F, although August is a close second. January is the coldest month, with average high and low temperatures of 63.9°F and 40.5°F, respectively. The official record-high temperature is 105°F, which was observed on June 15, 2011. The official record-low temperature is -2°F, which was observed on February 13, 1899, which gives Tallahassee the distinction of being the only location in Florida ever to have recorded a sub-zero temperature. Since that morning in 1899, the lowest temperature recorded in the modern historical record since 1940 was 6°F on January 21, 1985.

The average annual total rainfall is 58.81 inches. June ranks typically as the wettest month, with an average monthly rainfall total of 7.76 inches, and November ranks as the driest month with an average monthly rainfall total of 3.10 inches. Summer is the wettest season, and autumn is the driest. The record 24-hour total rainfall is 10.13 inches, which occurred on June 11-12, 2001. The average annual snowfall is less than a trace. Although snow flurries are seen every few years, on average, measurable snow (0.1 inches or greater, by definition) is seldom observed in Tallahassee, having occurred only ten times since 1938 and last occurred on January 3, 2018, when 0.1 inch was recorded. The largest snowfall ever observed was 2.8 inches on February 12-13, 1958.

In 2022, the temperature ranged from a minimum of 18°F (in December) to a maximum of 104°F (in June). The mean annual temperature was 69.1°F. 2022 recorded a total of 20 freezes, which marked the eighth year in a row with below average annual freezes (since 2014). 2022 experienced three consecutive 100+ degree days from June 22-24, which was the first time since August 2014 temperatures reached 100+ degrees for three or more consecutive days. 2022 also experienced six consecutive hard freeze days from December 23-28, which has only been exceeded twice since 1940 (with a record of 9 consecutive hard freeze days which occurred in 2001). Total annual rainfall for 2022 in Tallahassee was 58.39 inches, which ranked as the 39th driest year on record since 1940.

* Allowable exclusions for FTIC students include those who left to serve in the military, church missions, foreign aid service of the federal government (e.g., Peace Corps), or any members of the original cohort who are deceased or permanently disabled.

Note: The fall cohort consists of full-time, FTIC students from the fall semester and the previous summer who continue into the fall. Students are followed through the end of summer so that each year begins with fall and ends with summer semester. The number re-enrolled is the number of students from the original fall cohort that were enrolled in the fall, spring or summer semester of the year indicated. The percent graduated is cumulative. Retention includes the number who re-enrolled plus the graduates of previous years.

Panama City Campus Student Headcount Enrollment, Fall Semesters

The Panama City Campus of Florida State University began operations in 1967 when three universities started offering courses to area students. The University of West Florida was assigned to administer the campus in 1971, and that administrative responsibility was transferred to Florida State University in July 1982. The Bay County Commission donated a 26 acre waterfront site for constructing new campus facilities to replace buildings loaned by the Bay County School Board and Gulf Coast Community College. Construction of the new campus facilities began in 1983, and the new buildings were ready for use during the 1987 spring semester. The College of Applied Studies makes its home at the FSU-Panama City campus.

The Panama City campus is served by over 45 faculty, plus additional faculty who travel from the Tallahassee campus. <https://pc.fsu.edu/Faculty-Staff>

Distance Learning Course Enrollment and Student Credit Hours

Notice: In Spring 2020 - March, most classes were converted to remote learning due to the COVID-19 pandemic. In that semester, the instruction modes were reported as of the beginning of the semester. Instruction modes for classes in subsequent semesters were affected by the pandemic, particularly in the 2020-21 academic year.

Faculty Senate

The nature of faculty involvement in the governance system of Florida State University is set forth in the Constitution of the University, which designates the Faculty Senate as the basic legislative body of the institution. This structure has been in place since May 1931, when an amendment to the institution's constitution establishing the Senate was adopted by the general faculty and approved by the Board of Control of the state. A number of major amendments have been made since that time relating to elections, committees, and other matters. Prior to 1974 the President of the University was the presiding officer of the Senate, but an amendment that year changed the procedure to stipulate that the Senate elect annually its own President from the elected Senators comprising the body.

The Faculty Senate is composed of at least one elected representative from each college and school and one representative each from the Librarians and the Developmental Research School. Except for the two latter representatives, only full-time instructors, assistant professors, associate professors, and professors are eligible for representation in and election to the Senate. Senators serve two-year terms which begin at the April meeting of the Senate, at which time the President of the Senate is elected. The Steering Committee is composed of seven members elected by the voting members of the Senate to staggered two-year terms; the President of the Senate serves as chair of the committee.

The Faculty Senate formulates measures for maintaining a comprehensive educational policy and for maximum use of the University's intellectual resources. It determines and defines University-wide policies on academic matters, including Liberal Studies policy, admission, grading standards, and requirements for the awarding of degrees. The Senate may also formulate opinions on any subject of interest to the University and adopt resolutions thereon.

- a Effective January 1
- b Effective October 1
- c Effective November 1
- d Effective December 1
- e 3% raises for 1991-92 were to be effective January 1, 1992; financial cutbacks moved this to February 14 before being completely rescinded. On March 11, 1993, the Florida Supreme Court ruled the legislature did not have the authority to rescind the raises and that in-unit employees were due back pay for January 1 - June 30, 1992.
- i Effective August 1 for 12-month employees; August 9 for 9-month faculty.
- t \$5,000 permanent rate adjustments were awarded to 130 faculty through the Teacher Incentive Program.
- p 9% permanent rate adjustment was awarded to 41 professors under the Professor Excellence Program.
- * Faculty promotions paid from available funds.
- ** For in-unit faculty, there is a \$500 minimum for 9-month, \$667 for 12-month; promotions; & the remaining amount of the 2.788% pool is for dept merit.
- *** For in-unit A&P, there is a merit pool of 2.788%.
- **** For in-unit USPS: AFSCME employees get 3% across the board with a \$1,000 minimum; PBA steps are adjusted by the top two tiers of the three tier plan; FNA steps are going up by 3%.
- j For in-unit faculty, there is a \$500 min. for 9-month, and \$667 min. for 12-month.
- k Faculty average. Includes merit, minimums, and most of the cost of promotions; in-unit faculty minimums were \$600 for 9-month and \$800 for 12-month; out-of-unit faculty minimum was \$600 for 12-month
- l Faculty minimums were \$450 for 9-mo., \$500 for 10-mo. & \$600 for 12-mo. Cost of promotions was paid from rate/salary provided for vacant salary positions.
- m Faculty minimum/maximum increases were \$375/\$1,050 for 9-month, \$417/\$1,167 for 10-month, and \$600/\$1,400 for 12-month. Cost of promotions was paid from rate and salary provided for vacant salary positions. The minimum/maximum increases for A&P and Career Service/USPS employees were \$500/\$1,400.
- n \$1,000 one-time bonus

Krafft, Daisy Parker Flory and McKenzie Professors

Krafft Professors (Formerly Eppes Professors)

In 2020, the Eppes professorship was renamed to honor the late Marie Krafft, who served as a professor of chemistry at FSU for three decades. Krafft joined the FSU faculty in 1984 and gained widespread recognition for her contributions to organometallic chemistry and synthetic organic chemistry. She mentored numerous graduate students and postdoctoral researchers. In 2009, she received the University Undergraduate Teaching Award in recognition of excellence in teaching. Krafft professors are often deemed "Super Professors" because of the high quality of their character, vision, and intellect.

Institutes & Research Centers

Institutes and Research Centers are entities proposed by universities, the Legislature, or the Florida Board of Education (FBOE); approved by the Board of Governors (BOG) and/or the Chancellor or a university president (depending on the type of institute/center); and established by the universities for the purpose of coordinating intra- and/or inter-institutional research, service, and training activities that supplement and extend existing departmental instruction, research, and service programs. In some instances, institutes/centers are established by law, in which case they operate in accordance not only with State University System policies, rules, and procedures, but also with state statutes. FSU's institutes and centers, along with their directors, are listed below. This list is accurate as of December 2022.

University Libraries

University Libraries provide collections, resources, and services to enhance the learning, teaching, research, and service activities of the Florida State University. The Libraries' collections include over 4.5 million titles, and the website offers access to 653 databases, and more than 119,159 electronic journals. Materials not available online or at the Libraries may be requested through interlibrary loan or the statewide U Borrow system, offering FSU faculty and students access to millions of books from 39 other state university and college libraries. The Library Express Delivery Service (LEDS) delivers books and articles to faculty, post-docs, graduate, teaching, and research assistants daily.

Strozier and Dirac Libraries fully reopened in the Fall of 2022 after limited hours during the COVID-19 pandemic. For 2021-2022, both libraries reported over one million visitors, down from pre-pandemic visitor counts, but up from last fiscal year when libraries' hours varied from closed and partially reopened.

Typically, Strozier Library, FSU's largest library, is open 134 hours each week to provide around-the-clock research assistance and other services like free academic tutoring and a full range of academic support throughout the day and late into the night. Students and faculty can choose learning spaces, from the Scholars Commons' quiet Reading Room to the Starbucks coffee shop, to the collaborative buzz of the first floor Learning Commons. Library faculty offer classes and consultations to teach critical research and thinking skills. For distant learners and other off-campus library users, online research services are available, and the library staff offers outreach services across campus.

Campus libraries offer many of the same services and resources customized to complement the disciplines they serve. Libraries include Robert Manning Strozier Library (Main), Paul A. M. Dirac Science Library, Mildred and Claude Pepper Library, the FAMU-FSU College of Engineering Library, and FSU Panama City—Florida Library and Learning Center. The following are designated dean-directed libraries: Warren Allen Music Library, College of Law Legal Research Center, College of Medicine Medical Library, and the John & Mable Ringling Museum of Art Library in Sarasota, Florida. International Programs study centers in London, Florence, Valencia, and Panama also provide library services, resources, and spaces.

Florida State University Buildings - Some Facts

BUILDINGS OF FLORIDA STATE UNIVERSITY SOME HISTORY, SOME FACTS, SOME DESCRIPTIONS

Many buildings on campus remain today from the pre-Florida State University era; however, none are still standing from the nineteenth century. The current university is built from a core of buildings that remain from the years of the Florida State College for Women. The oldest building on campus, Bryan Hall, was built during the days of the Florida Female College, immediately prior to the FSCW designation.

BRYAN HALL

Bryan Hall, the oldest existing structure on the Florida State University campus, was originally built in 1908 and named in honor of United States Senator William James Bryan. The building served as a residence hall until 1969 when a fire in the Westcott Building forced administrators to seek office space in Bryan Hall. Although some offices later returned to Westcott, others remained until the construction of the University Center made the hall available for restoration as a residence hall. The two-year renovation project was completed in January 1997 and the building was opened again as a residence hall in August 1997.

WESTCOTT BUILDING

The Westcott Building and Westcott Auditorium were constructed in 1909 and occupied in 1911. Westcott was known as the Administration Building until 1936 when it was officially named the James D. Westcott, Jr. Memorial Building by the Board of Control, the governing body of higher education in Florida at the time. James D. Westcott, Jr. was born in Tallahassee in 1893 and served the State of Florida as Attorney General and as a Supreme Court Justice. The Westcott Building burned in 1969, and when it was renovated, the fourth floor, previously an attic, was added as regular office space. In 1971, the Westcott Auditorium was named the Ruby Diamond Auditorium after Miss Ruby Diamond who attended Florida State College for Women and later became a benefactor of the University. In 2008, the auditorium was closed for renovation. It reopened in October of 2010 as the Ruby Diamond Concert Hall.

REYNOLDS HALL

Reynolds Hall was constructed in 1913 and named for Melissa E. Cochrane Reynolds, the first Lady Principal of The Florida State College for Women. Reynolds Hall was one of five historic residence halls to be renovated in a multi-million dollar project. During the renovation, the historical and aesthetic value of the building was preserved, in addition to providing up-to-date comfort and safety for students. Reynolds reopened in 1996 as a residence hall.

WILLIAM JOHNSTON BUILDING

Constructed in 1913, for over 60 years this building was known as the Dining Hall. When first constructed, it housed all the food operations including a bakery, creamery, and cannery. The eastern portion of the building, called the Suwannee Arcade, was the informal dining facility, while the western portion of the building contained two grand formal dining rooms with the President's private dining area above and between. At one time, all the dormitories and the infirmary were connected to the dining hall by a series of arcades, making it possible for students to reach the dining facilities and avoid any inclement weather. The Suwannee Arcade was restored and reopened in Spring 2006 as a student dining facility. The west wing of the Johnston Building was renovated and reopened in fall 2011. The building was named in the early 1980s for William H. Johnston.

BROWARD HALL

Broward Hall was constructed in 1917 and is one of the oldest residence halls on campus. It was named for Napoleon Bonaparte Broward, the 19th governor of Florida from 1905 to 1909, during whose term the Buckman Act reorganized higher education in the state and designated the Tallahassee school as the Florida State College for Women. Broward Hall was reopened in August 1998 as a coeducational hall after being closed for two years of renovation.

CRIMINOLOGY AND CRIMINAL JUSTICE BUILDING

This building was constructed in 1918 and is one of the last remaining classroom buildings on campus from the pre-FSU era. After serving as the home to Education programs for its early years, it was known simply as the Psychology Building until the university's sesquicentennial celebration in 2001, when it was named in honor of Francis Eppes, a seven-term Tallahassee mayor and grandson of U.S. President Thomas Jefferson. In 2008, the Psychology Department moved to its new building on the west side of campus. Eppes Hall was fully renovated in 2012 and became the home to the College of Criminology and Criminal Justice in 2013. In 2021, Francis W. Eppes' name was removed from the College of Criminology and Criminal Justice Building.

REGIONAL REHABILITATION CENTER

This building was originally constructed in 1919 as the College Infirmary. As the College and Tallahassee grew, its role changed from student hospital to campus clinic, and is remembered as the Clinic Building. In 1966, a new student health center was built and the Clinic was given to various departments for use as office space. In the mid-1970s, the building was renovated, and the back half of the building, with its connecting arcade, was demolished. In June of 2012, the Regional Rehabilitation Center was demolished and was replaced in the fall of 2013 by the Honors, Scholars, and Fellows House.

Florida State University Buildings - Some Facts

JENNIE MURPHREE HALL

This building was constructed in 1921 and was a women's dormitory until 2015. The hall was named for Mrs. Jennie Murphree, a native of Tallahassee and the wife of Albert A. Murphree, the first president of Florida Female College. Today, the beauty of the Jacobean Revival architecture remains intact while the interior boasts state-of-the-art systems. The building was renovated in 1993, and became coeducational in 2015.

DODD HALL

Dodd Hall was constructed in 1923. It was the library for FSCW and then FSU until 1956 when a new modern library was constructed. It is named for William George Dodd who joined the faculty of Florida State College for Women in 1910, became the head of the Department of English and went on to serve as the Dean of the College of Arts and Sciences for Florida State University. In 1982 the main library portion of the building was renovated and named the Pepper Library in honor of Claude and Mildred Pepper. The library has since been relocated to the Claude Pepper Center, and replaced by the Werkmeister Reading Room. In 1993, the Dodd Hall Auditorium was added to the building. Inscribed over the entrance to Dodd Hall in gold letters is "The Half of Knowledge, is to Know Where to Find Knowledge."

GILCHRIST HALL

Gilchrist Hall was constructed in 1925 and named after Albert Waller Gilchrist, the 20th governor of Florida, who gave unwavering support to the Florida State College for Women as a state agency. Its gabled terra cotta roof, Gothic stonework and gently curved entrance clearly recall medieval monastic architecture. This collection is reflected in the hall's main lounge, which features an intricately carved fireplace, dark multi-toned tile flooring, and grapevine motif doorway moldings. In August, 1998, Gilchrist reopened as a coeducational hall, after being closed for two years of renovation.

WILLIAMS BUILDING

This building was constructed in 1926. It was known as the History Building until 1963 when it was named in honor of Arthur Williams. Dr. Williams, historian and Bible scholar, was the only vice president that Florida State College for Women ever had. Conradi Auditorium, located in a wing of this building, is named for Augusta Conradi, wife of Dr. Edward Conradi who served as President of Florida State College for Women for 32 years. In 2001, extensive renovation of the Williams Building was completed. While the renovation resolved many of the building's notable design quirks, its historical appearance was maintained.

MONTGOMERY GYM

This building, constructed in 1938 as the physical education facility of Florida State College for Women, contains a heated indoor swimming pool, basketball court, and at the time of its completion, a bowling alley. The facility has been the home of the synchronized swimming team, The Tarpons, since its beginning. The bowling alley no longer exists but the pool, renovated in the mid-1980s, still is in operation. The building was named for Dr. Katherine Williams Montgomery, Miss Katie, as she was known to all, a 1918 graduate of FSCW. In 1920 she became an instructor of Physical Education at the College and in 1923 was named director of Physical Education. Dr. Montgomery died on October 1, 1958-the day she was to have retired officially from her duties at the Florida State University. In early 2004, major renovations to Montgomery Gym were completed.

LONGMIRE BUILDING

This building was constructed in 1938 and was known for many years as the Alumni Building. It was originally constructed as a dormitory/hotel for visitors and returning alumni. The building had a working kitchen in the basement, with a large dining room and small parlor. The large dining room and parlor were used as reception rooms by the Alumni Association. The building was named for Miss Rowena Longmire. Miss Longmire was an English professor and also served as faculty advisor to the Alumni Association of FSCW, and in 1917 was president of the Alumni Association.

LANDIS HALL

Landis Hall was completed in 1939 and was originally designated as a Seniors Hall. The building later became a coed facility. Landis Hall was named for Cary D. Landis, who was an Attorney General during the 1930s. The dormitory was renovated and reopened in fall 2006. Landis Hall sits at the south end of the courtyard known as Landis Green, with Strozier Library situated at the other end. Landis Hall is home to the FSU Honors Community. To celebrate Heritage Day in 2005, the Landis Green Legacy Fountain was unveiled. The fountain commemorates the history of the university with three sculptures representing the era between 1915-1947 and three depicting present day life on campus.

Net Assignable Square Footage (NASF) by College

An assignable classification is determined by functionally usable space. The standards for the categories listed are used by the Florida Board of Governors based on federal room classification standards (the Facilities Inventory and Classification Manual maintained by the National Center for Education Statistics). The table does not include residential halls.

Center for Academic and Professional Development (CAPD)

The Center for Academic & Professional Development was established to extend the resources of the Florida State University. Housed in the Augustus B. Turnbull III Florida State Conference Center, the experienced CAPD staff support a variety of learning opportunities as they provide services to colleges, departments, and students on campus and online.

Professional Development and Test Preparation Courses

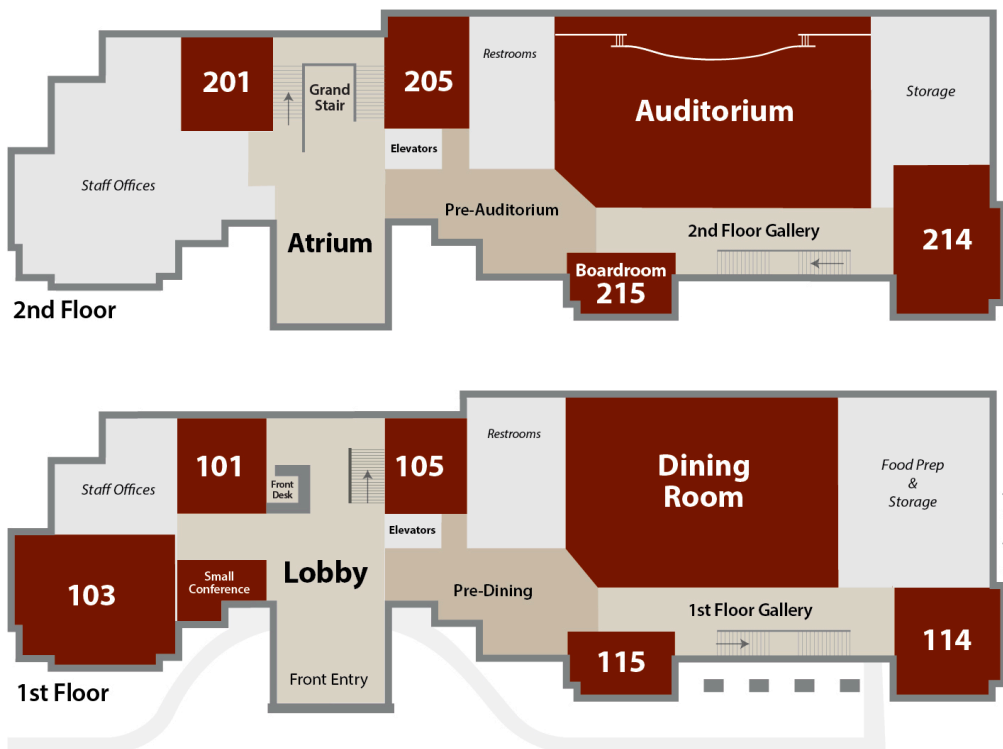

CAPD offers continuing education workshops and online courses that assist many professionals in maintaining their licenses or to stay competitive. These include courses in web design and development and a Certificate in Financial Planning, to provide the skills needed to be successful in today's work environment. The Center offers test prep courses for the GMAT, GRE and LSAT designed by a team of former standardized exam question writers and preparation experts to focus students on acceptance to graduate school.

Academic Programs

CAPD provides academic credit courses, including part-time degree and certificate programs, for the nontraditional student and continues to identify and develop new course offerings to support lifelong learners. Courses are offered on and off campus and online. Specialized courses and teacher institutes are held each summer, including the FSU Holocaust Institute for Educators, the Orff-Schulwerk Music Teacher Education Course, and the Art Therapy Program. CAPD also coordinates the returning student scholarship for students 23 years of age or older and administers summer camps for college departments.

Conferencing

The Augustus B. Turnbull III Florida State Conference Center, located at 555 West Pensacola Street, adjacent to FSU's five-story St. Augustine parking garage, hosts small meetings to large international conferences. Center event coordinators assist clients with planning on-site events and registration for attendees. The three-story Jacobean style Center is approximately 47,000 square feet and has 11 meeting spaces, including a 350-seat auditorium, a 280-seat dining room (with catering kitchen), an elegant atrium, 7 breakout rooms, an executive boardroom, a business meeting room, a training room, a full service video studio, and administrative offices. The Conference Center provides the latest in technology infrastructure to support on-site and off-site event presentations. In addition, recording of events through live webcasts are converted to online learning materials for training purposes. To learn more, visit at: <http://learningforlife.fsu.edu>.

Division of Student Affairs

The Florida State University Division of Student Affairs empowers and supports all students to achieve their full potential. We believe in the power of the student experience to develop graduates who positively impact the world. The Division of Student Affairs includes the following departments:

Campus Recreation

“Find What Moves You” with Campus Recreation. The department supports members of the FSU community in their pursuit of lifelong wellness by providing a diverse array of high-quality recreational programs, services, and facilities in the Fitness, Sports, and Outdoors realms. Access to all Campus Recreation facilities is free for students. Faculty, staff, alumni, and affiliates may purchase daily access passes or recurring memberships. Two fitness facilities, the Dr. Bobby E. Leach Center and the Fitness and Movement Clinic, offer a variety of fitness and wellness services including cardiovascular and strength training, group fitness classes, and personal training. The Leach Center also has a 16-lane, 25-yard lap pool, spa and sauna, indoor jogging track, basketball and racquetball courts. Aquatics staff provides health and safety instruction, adult and youth swim lessons, and other certification programs. The Rez: FSU’s Lakefront Park and Outdoor Center is a 73-acre lakefront facility located five minutes from campus where patrons can enjoy kayaking, canoeing, sailing, or stand-up paddle boarding on Lake Bradford as well as sand volleyball, disc golf, a climbing wall, and picnic pavilions. The FSU Challenge Program facilitates teambuilding and leadership development at the high and low challenge (ropes) courses. Outdoor Pursuits facilitates outdoor adventure trips around the region including backpacking, kayaking, climbing, mountain biking, and paddling. Students can play to win or play for fun in over 40 intramural (IM) sports leagues and events each year. Nearly 2,000 students participate in one of over 30 sport clubs that provide various instructional, recreational, and competitive opportunities for the more dedicated athlete. Students can also enjoy pick-up games anytime at FSU’s award-winning Rec SportsPlex outdoor sports facility, the Main Campus Fields, and Westside Courts. (<https://campusrec.fsu.edu>)

The Career Center

The Florida State University Career Center provides students and alumni with the resources and services necessary to design successful careers. With career advising, workshops, mock interviews, embedded career liaisons, recognition programs, and more, The Career Center is the go-to career resource on FSU’s campus. Students and alumni can receive help with choosing a major, researching occupations, identifying opportunities, and developing job search strategies. The Career Center offers a one-to-three-credit-hour course, SDS 3340 Introduction to Career Development, that provides students with resources to help make a successful transition to their next step. The Career Center also provides a zero-credit course, SDS 3802 Experiential Learning, that allows students to document career experiences on their transcript or receive a certificate. Through more than twenty career fairs annually and the ProfessoNole Mentors program, The Career Center connects students with potential employers and a powerful network of Florida State alumni and friends of the University from across the country. Students and alumni also have exclusive access to The Career Center’s career database, NoleNetwork, where they can apply for internships, part-time jobs, volunteer opportunities, full-time jobs, and discover other career events and opportunities. ProfessoNole Pathways allows students to earn digital badges by completing skill-based trainings and experiences addressing the nine key career competencies as defined by FSU. Students can also make themselves more marketable to employers or graduate programs by participating in the Garnet & Gold Scholar Society, a unique program that facilitates involvement and recognizes engaged, well-rounded students who excel within and beyond the classroom. (<https://www.career.fsu.edu>)

Center for Academic Retention & Enhancement

Florida State University and the Center for Academic Retention and Enhancement (CARE) provides first-generation and other students traditionally underrepresented in higher education with services to promote their academic success, retention, and timely graduation, including general education courses, academic advising, college life coaching, financial aid and literacy advising, tutoring, a computer lab, peer mentoring, and cultural enrichment activities. CARE’s Summer Bridge Program incorporates intensive academic and social orientation to FSU during the first summer semester followed by yearly academic support and engagement that introduces the responsibilities and opportunities of college life and prepares students for personal and professional success. CARE’s QUEST Scholars Program invests in student success by connecting students to academic and engagement resources provided within CARE to help enrich the college experience. The FGEN Noles Living-Learning Community provides pathways to academic and professional success for first-generation college students from all majors with support from faculty director and staff. Student Support Services (SSS) and Student Support Services-STEM (SSS-STEM) provide qualified students additional tutoring, workshops, and post-graduation planning activities. The Unconquered Scholars Program offers supplemental academic and engagement support activities for students previously in foster care, a ward of the state, homeless, or raised by a non-parent relative. Through the FGEN Noles Network all first-generation undergraduate students have access to supportive peers and faculty to assist in navigating their college experience. The Renaissance MAN initiative, a multi-tiered approach to assisting men of color at FSU, focuses on goal attainment, holistic development, and college completion. The Upward Bound Program serves Gadsden County High School students from low socio-economic backgrounds, offering educational activities, access to technology, college tours, and participation stipends. (<https://care.fsu.edu>)

Center for Global Engagement

The Center for Global Engagement (CGE) facilitates international diversity, fosters global understanding and awareness, and enhances internationalization efforts throughout the FSU community. The CGE provides immigration services and ongoing support to over 2,500 international students and family members, as well as to over 150 international scholars and faculty. The CGE offers certificate programs designed to help develop a more interculturally competent campus community. The Global Citizenship Certificate prepares undergraduate students for today’s global society through a combination of academic classes and co-curricular activities, and the Global Partner Certificate provides FSU’s faculty and staff with the opportunity increase their intercultural competence by attending a series of workshops and intercultural events. The CGE also offers many enriching co-curricular opportunities for all FSU students to explore other cultures and current global issues. The CGE collaborates with Academic Affairs on two signature programs that increase international diversity and international study opportunities. FSU’s Global Exchange Program provides students with the opportunity to study at one of over 45 international partner universities around the world and allows students from our partner universities to study at FSU for one or two semesters. The Special Academic Program serves as a feeder program to FSU’s Graduate School for students from multiple universities in China who study for two semesters as non-degree students and then apply to FSU graduate programs. (<https://cge.fsu.edu>)

Center for Leadership & Social Change

The center’s mission—to transform lives through identity development, leadership education, and community engagement—is woven throughout our work. We encourage students to learn, serve, and transform themselves and the world around them through a wide range of programming opportunities. The center, through two offices, provides education and development programs for students of all levels. The Office of Community-Rooted Engagement, focused on student leadership development and responsible community engagement, hosts experiences such as Leadership LOGIC, LeaderShape, and the Women’s Leadership Institute. This office also serves as an outlet to engage in community action through initiatives such as EngageTLH service trips, PeaceJam Southeast, and the Moellership Program’s summer of service around the globe. The Office of Representation, Inclusion & Student Equity is devoted to student diversity, equity and inclusion initiatives, including conferences, training, and cultural heritage celebrations. These include programs such as Multicultural Leadership Summit, Social Change Peer Educators, and the Social Justice Living Learning Community. This office is also home to the university’s identity-based cultural agencies. With more than 30 programs across both offices, the Center provides opportunities for any schedule, ranging from low commitment of a few hours to long-term commitment of a semester, a year, or up to four years. (<https://thecenter.fsu.edu>)

Division of Student Affairs

Counseling & Psychological Services

Counseling & Psychological Services (CAPS), a department in the Division of Student Affairs, provides counseling services and programs to help students resolve psychological issues and personal concerns that interfere with academic progress, social development, and emotional well-being. Our goal is to help students function to the best of their abilities and make the most of their years at FSU. Because student fees cover these services, there is no out-of-pocket expense for any visit for all currently enrolled FSU Students. CAPS services are provided by licensed psychologists, licensed mental health counselors, licensed clinical social workers and trainees on varying levels. These services include but are not limited to brief individual therapy, group therapy, crisis intervention, consultation, and referrals. Outreach presentations on mental-health topics and life skills are available to students, residence halls, student organizations, faculty, and staff. The CAPS sponsors RENEW (Realizing Everyone's Need for Emotional Wellness), a peer-educator student organization whose mission is the promotion of emotional health and coping skills to FSU students. Students can receive individual instructional sections by RENEW members on various topics including time management, stress management, and test anxiety. Enrolled students may initiate counseling services by walking into the CAPS during regular office hours and requesting to speak with a clinician. When meeting with a clinician at walk-in, the clinician will determine the best plan for meeting the individual student's mental health needs. In addition, students who are experiencing a mental health crisis at a time outside of the CAPS's regular office hours have the option of calling the CAPS's after-hours service at 850-644-TALK and immediately speaking with a clinician. Records of visits to the CAPS as well as after-hours crisis calls are strictly confidential and are not included in the student's University records. Confidential information will not be released to anyone without written permission unless there appears to be clear and imminent danger to the student or others. Students who are aware that they will require longer-term treatment are encouraged to plan for private care in the community before entering the University. However, if necessary, Counseling and Psychological Services staff will make referrals for ongoing treatment in the Tallahassee community. (<https://counseling.fsu.edu>)

Department of Student Support & Transitions

The primary focus of the Department of Student Support and Transitions (DSSST) is to support the academic mission of Florida State University and the Division of Student Affairs by providing services, programs, and resources for all students. Case Management Services works with students to provide emotional support, brief crisis counseling, advocacy, and identify immediate needs, making appropriate referrals to campus and community resources. Cases are monitored, as needed, to ensure individuals receive the support necessary to improve their life situation. Investigations and Assessment provides investigative services for allegations of misconduct concerning Recognized Student Organizations. New Student & Family Programs (NSFP) facilitates a welcoming and inclusive transition to Florida State University for all new students and their families. NSFP coordinates New Nole Orientation, family programming, and first year initiatives, like SLS 2206: Chart Your Course. The Office of Accessibility Services (OAS) collaborates with and empowers FSU students by creating accessible and inclusive learning environments. Through the provision of academic accommodations, testing support, assistive technologies, accessible transportation services, and a space for students to feel part of the FSU community OAS creates an environment of success. The Victim Advocate Program provides confidential advocacy to primary and secondary victims of all types of crimes. An advocate is on-call twenty-four hours a day to respond to Florida State University students, faculty, and staff who are victimized, and to any person victimized on Florida State University's campus. The services offered include emotional support, court accompaniment, crisis intervention, instructor notification, academic support, referrals, and educational programming for the campus community. The Withdrawal Services staff provides support to students and their families when a student's enrollment is unexpectedly interrupted for personal, medical, or mental health reasons, and/or other crises. (<https://dsst.fsu.edu>)

Fraternity & Sorority Life

The mission of Fraternity and Sorority Life is to enhance the quality of student life at Florida State University by empowering members of the Greek community through advising with a developmental approach, educating with purpose, communicating with stakeholders, and cultivating collective partnerships. FSL advocates for the expression of ritual through the shared values of leadership, scholarship, service, and brotherhood/sisterhood within the Greek community. The department is nationally recognized for the services, active advisement, support, and deep commitment to the shared values of leadership, scholarship, service, and brotherhood/sisterhood. FSL strives to develop a community that enables individuals to make values based decisions, learn tangible skills, and contribute to the betterment of the global community. The Fraternity and Sorority experience at Florida State University helps its members fulfill their potential, while also providing service and advocacy to the campus and Tallahassee community. The community contributes over 100,000 hours of service and over \$1 million annually to philanthropic causes. (<https://fsl.fsu.edu>)

The Office of Title IX

In accordance with Title IX, as a recipient of Federal financial aid, FSU does not discriminate on the basis of sex/gender in education programs and activities. The University's Title IX Coordinator/Director is responsible for overseeing the development of sexual misconduct policies, ensuring compliance with Title IX and relevant federal and state regulations, and investigating Title IX complaints alleging student sexual misconduct. The Human Resources Deputy Coordinator will oversee investigations of alleged sexual misconduct by employees and third parties. The Athletics Deputy Coordinator will accept Title IX incident reports to forward to the Title IX Director and will ensure athletics equity compliance. The FSUS Deputy Coordinator(s) will oversee investigations of alleged sexual misconduct by K-12 students. Report regarding Title IX, as well as concerns about and complaints of non-compliance (including complaints of sexual harassment, sex discrimination, or other sexual misconduct), should be submitted to report.fsu.edu. Additionally, any questions may be directed to the Title IX Director/Coordinator or a Title IX Deputy Coordinator.

Student Conduct & Community Standards

Student Conduct and Community Standards (SCCS) promotes a holistic approach to health, wellness and safety at Florida State. The mission is to promote responsible decision-making that fosters student-centered learning and accountability in alignment with community values and expectations. The staff assist students in upholding community standards as the office addresses allegations involving students who may have violated the Student and/or Student Organization Conduct Codes. The student conduct process is designed to be educational in nature and helps maintain an atmosphere within the University community that is conducive to academic pursuits. Being a member of the University community is a privilege, and the conduct process will determine if a student's conduct warrants modification of or restriction upon that privilege. The Code applies to student and organizational conduct that occurs on University premises, at University-sponsored activities, and off-campus as determined by the Student Conduct Authority. SCCS maintains Student Conduct records and students work with the office to certify their records with future graduate schools and potential employers. The department offers student leadership opportunities through peer involvement with the Student Conduct Board, and through workshop presentations for students who wish to learn more about and apply ethical decision making in their daily lives. The goals of SCCS include community wellbeing; empowering students to value and contribute to an environment which fosters a sense of wellness and belonging; student learning; developing students' ability to critically evaluate choices and personal values and apply their reflections to future decision-making; and accountability: encouraging students to acknowledge their behaviors and recognize when they do not align with their values or with university expectations. (<https://sccs.fsu.edu>)

Division of Student Affairs

Student Engagement

The Department of Student Engagement cultivates tailored student experiences that support students' voice, belonging, and learning. Comprised of three units, Student Organization & Involvement (SOI), Askew Student Life Center (ASLC), and Student Governance and Advocacy (SG&A), our goal is to provide pathways that allow students to connect, belong, evolve, and make an impact on the world. The Office of Student Organizations & Involvement (SOI) believes student involvement outside of the classroom contributes to important learning gains and a well-rounded college experience to prepare students for life after graduation. Students are invited to join over 650 student organizations and get involved in the Florida State University community. The SOI office serves as a catalyst to engage and involve students. The Askew Student Life Center (ASLC) houses the Student Life Cinema and the Cyber Café, where students can watch new releases, independent & foreign films, documentaries, cult classics, and advance screenings. ASLC Gaming offers PCs and consoles as well as board games. Behind the scenes of the ASLC, 6 student-run committees program and promote all events and content. The Student Government Association (SGA) and the Congress of Graduate Students (COGS) serve as the students' voice and provide leadership and accountability to constituents. All students are members of SGA, and hundreds serve in elected and appointed positions. SGA focuses on leadership and identity development, belonging and inclusion, civic engagement and participation, financial responsibility and stewardship, and supporting traditions, initiatives, and communities that benefit the student body. SGA annually allocates approximately \$13 million of Activity and Service (A&S) fees to fully or partially fund activities of the student senate, the executive branch, and numerous student organizations and University units. Most events on campus are free to FSU students. The Congress of Graduate Students (COGS) is an elected body of all post-baccalaureate, graduate, professional and doctoral students at the University. COGS is a unified voice and advocate for all graduate related matters. It also offers travel grants to graduate students, funds graduate organizations, and sponsors a variety of programs and services for students. Whether attending WelcomeFSU activities leading into the start of each semester; connecting with peers at Market Wednesday; participating in traditions like Homecoming; giving back to the community through Dance Marathon, Relay for Life, or the Big Event; joining friends at the Student Life Cinema for movies and gaming; or becoming a student leader and participating in SGA, the Department of Student Engagement provides opportunities for every student to connect and find community at FSU. (<http://sga.fsu.edu> & <http://nolecentral.dsa.fsu.edu>)

Student Union

The FSU Union operates as a student-centered organization that includes students in shared decision making and holistic development through employment and involvement; advocates for inclusivity and equity, fosters respect, and affirms the identities of all individuals; educates students in leadership and social responsibility and offers firsthand experiences in global citizenship; and provides gathering spaces to encourage formal and informal community interactions that build meaningful relationships. The Union cultivates high impact experiences, experiential learning, and participation in FSU campus life traditions that enhance student engagement and a sense of belonging. The Union department consists of the Art Center and Frame Shop; Campus Event Services; Information Desk and Lost & Found; Crenshaw Lanes Bowling, Billiards and Pro shop; Flying High Circus; and Union Productions, Campus Life Programming, and Club Down Under. The FSU Flying High Circus is one of only two student run collegiate circuses in the country. The circus offers a unique student experience that provides for team building, skill acquisition and performance opportunities, intentional education and community building as well as supporting University town & gown relationships. The Union facilities include Askew Student Life Center (ASLC), Haskin Circus Complex, the new Student Union building (SUB), Moore Auditorium, and the Student Services Building (SSB). In addition to these buildings, the Union's Campus Events Services supports events in other DSA facilities and throughout campus grounds. Each facility provides amenities, conveniences, programs, and services that the university community utilizes in their daily lives. (<https://union.fsu.edu>)

University Housing

University Housing provides exceptional living opportunities for students to succeed academically. University Housing offers over 6,700 on-campus beds that are suites or apartments for full-time, degree-seeking, fee-paying students. Approximately 85% of the First-Year class choose to live on campus. Residence hall staff provide resources and seek to create living environments that foster the lifelong learning of every resident through the promotion of responsible citizenship, scholarship, appreciation of differences, personal wellness, and involvement. Approximately 550 students live within eleven different academic living learning communities. First year students who live on campus earn higher GPAs and retain at a higher rate than those who live off. (<https://housing.fsu.edu>) FSU Childcare and Early Learning Programs provide, for a fee, care and educational experiences at the Copeland Center for approximately 133 children, ages six weeks to four years of age. Children of Florida State University students, faculty, staff, alumni, as well as children of the greater community are eligible for services, however priority for enrollment is given to FSU students, faculty and staff. Childcare and Early Learning Development Programs also provide sites for research by faculty members and graduate students in a variety of areas as well as a laboratory setting in which students may observe, complete practicums/internships, or work with young children. The Childcare and Early Learning Center is highly credentialed with full-time professional faculty leading the classrooms. (<https://childcare.fsu.edu>)

University Health Services

University Health Services (UHS) provides a coordinated continuum of care through prevention, intervention and treatment services. Services include general medical care, priority care, women's care, psychiatry, allergy injection clinic, immunizations, nutrition, confidential HIV testing, diagnostic imaging, physical therapy, and a medical response unit. UHS bills the student's insurance for any charges incurred. The UHS Center for Health Advocacy and Wellness (CHAW) assists students in their academic success through individual, group, and population-based health and wellness initiatives. CHAW addresses environmental factors that reduce risk and educates students about healthy lifestyles. CHAW also offers internships and educational opportunities; and mentors, trains, and advises peer health educators while encouraging creativity and leadership. UHS clinical staff includes board-certified physicians, psychiatrists, advanced registered nurse practitioners, physician assistants, licensed practical nurses, x-ray technologists, registered nurses, and dietitians. The health center has more than one hundred full-time employees and also employs many part-time and student staff members. All students must meet State Board of Education immunization requirements. Immunization requirements for FSU are explained in the Health Compliance checklist which can be found at <http://www.uhs.fsu.edu> under the "Admission Health Requirements" tab. All incoming full-time students are required to have health insurance coverage. As a condition of their admittance to Florida State University, all non-United States citizens on a J-1 or F-1 visa must have appropriate health insurance regardless of their credit hour load. Information about insurance policies available for students is posted on the student insurance web site at <http://www.studentinsurance.fsu.edu> or by calling the Health Compliance Office at (850) 644-3608. Additional services in the Health and Wellness building include dental, chiropractic, massage, and Quest diagnostics lab. (<http://www.uhs.fsu.edu>)

Office of Financial Aid

The FSU Office of Financial Aid exists to assist students with securing federal, state and institutional financial aid to achieve their degree. Each year, the FSU Office of Financial Aid awards and administers more than 280 million dollars in financial aid to eligible students. Students receive aid in the form of scholarships, grants, work study, and loans -- funds that help them to focus on their education and complete their degree so that they can go into the world with purpose.

Types of Aid Available:

Loans

Direct Subsidized Stafford Loans
 Direct Unsubsidized Stafford Loans
 Direct PLUS Loans
 Federal Perkins Loans

Need-based Scholarships and Grants

Federal Pell
 SEOG
 State scholarships/grants
 Private scholarships
 College/university scholarship or grant aid

In order to award aid, a school must first establish an estimated cost of attendance. This includes fixed amounts, such as tuition and fees, as well as amounts that must be estimated such as room, board, books, transportation, and personal expenses.

Need-based aid, such as Federal Grants, Work-Study, Federal Loans, State Grants, and University Grants can be awarded up to the amount of need established through the federal formula. Loans such as the Federal Unsubsidized Stafford Loan and the Parent Loan for Undergraduate Students (PLUS) or Graduate PLUS loan can be awarded beyond the calculated need, up to the amount of the cost of attendance. The total of all aid awarded cannot exceed the cost of attendance as established by the school.

The budgets below are approximate and represent two semesters (fall 2022 and spring 2023) of regular study (13 credits per semester) at the main campus. The actual budgets used to award aid may vary slightly to comply with any regulatory changes that are made after initial estimation. These budgets are for the purpose of awarding financial aid, and may not represent the actual cost for each individual student, as enrollment and lifestyle choices will impact actual expenses. Tuition includes a differential fee that is applied to all undergraduate students who began enrollment after July 2007 (exception - students who have Florida Pre-Paid Tuition plan active as of 7/1/2007).

Florida State University Ensembles

Bands:

Campus Band The Campus Band is open to all students with interest and experience. It meets weekly during both semesters, responding to students' interests and abilities while rehearsing and performing a wide and diverse literature.

Concert Band The Concert Band is devoted to the rehearsal, study, and performance of important band literature. While primarily for music majors, this ensemble is open to non-majors with interest and experience by audition.

Marching Chiefs The Marching Chiefs is a marching band of approximately 450 students that performs at all home football games and traditionally travels to two or three out-of-town games during the football season.

Seminole Sound Seminole Sound is the University's Athletic Pep Band consisting of over 130 members. The Seminole Sound performs for FSU Men's and Women's Basketball, FSU Women's Volleyball, and a variety of other athletic events.

Symphonic Band The Symphonic Band is an undergraduate wind band made up exclusively of music majors. Two performances are scheduled each semester with a focus on advanced, college-level literature for winds and percussion.

Wind Ensemble The Wind Ensemble is the top undergraduate wind band exclusively for music majors.

Wind Orchestra The Wind Orchestra is the top graduate wind band. The Wind Orchestra's campus performances are supplemented by periodic tours, selected artist concert series, conventions, and conference appearances.

Choral:

Chamber Choir The Chamber Choir is an auditioned group of graduate and undergraduate students, as well as faculty, performing repertoire particularly suitable for a 32-to-44-voice ensemble, both accompanied and a cappella.

University Singers The University Singers is the premier undergraduate touring choir at FSU. Their activities include public concerts, both on and off campus, as well as frequent tours and performances at professional conferences.

Men's Glee Club The Collegians, the FSU men's glee club, is open to students enrolled in the University. Public concerts are presented throughout the year, including off-campus performances.

Women's Glee Club The FSU Women's Glee Club, Lavana, is open to all treble singers and performs concerts throughout the year.

Vocal Jazz Ensemble The Vocal Jazz Ensemble is a select ensemble that performs regularly on and off campus.

Choral Union The Choral Union is open to any student enrolled in the University who wishes to sing. Both accompanied and a cappella selections are included in its repertoire. Public concerts are presented throughout the year.

Gospel Choir The Gospel Choir is a popular choral ensemble on campus that explores both traditional and contemporary Gospel music. The Gospel Choir gives concerts on and off campus and frequently performs at churches throughout the city.

University Chorale/Tallahassee Community Chorus This ensemble is a large ensemble of around 200 singers that specializes in the music written for a large chorus and orchestra. The chorus is open to all students and the general public.

Opera Chorus The Opera Chorus performs in the FSU Opera productions according to the needs of each semester's repertoire.

Summer Chorale The Summer University Chorale is open to any enrolled student who enjoys singing.

Capital Children's Choir The Capital Children's Choir is a community outreach program for children in kindergarten through ninth grade, which is sponsored by the College of Music. Music majors at FSU also assist and lead the choirs in various activities.

Senior Singers The Tallahassee Senior Choir is a community outreach program in partnership with the City of Tallahassee senior services. Graduate Music Therapy students assist and lead the choir.

Orchestras:

University Symphony The University Symphony Orchestra consists of graduate and upper division undergraduate students who perform seven to eight concerts, including opera, chamber orchestra performances, and performances of major choral works.

University Philharmonia The University Philharmonia includes first- and second-year string players and gives four concerts a season.

Sinfonia Sinfonia offers non-major musicians the opportunity to play in a campus orchestra and gives one concert per semester.

Jazz Ensembles:

Jazz Ensembles The College of Music has three large performing Jazz Ensembles that perform concerts both on and off campus. The top FSU Jazz Ensemble is a nationally acclaimed ensemble drawn from a select group of graduate and undergraduate students.

Chamber Music (Jazz Combos) Students audition and are placed in a variety of faculty and graduate assistant-led combos based on their demonstrated skill levels. These combos showcase a variety of traditional and modern jazz styles.

The Jazz/Commercial Music Ensembles The College of Music Jazz and Commercial Music Ensembles include groups of all sizes that explore a wealth of musical styles. One of these, the Jazz/Pop Vocal Ensemble puts on dynamic public performances.

Other Ensembles:

Chamber Music Various chamber ensembles are organized throughout the year offering students greater musical focus and exposure.

FSU Percussion Ensemble The award-winning Percussion Ensemble continues to champion new composers and repertoire.

Opera The FSU Opera presents fully staged productions, featuring students in principal roles, chorus, orchestra, and technical support.

Early Music Ensembles Approximately ten ensembles that specialize in historical music and performance.

New Music Ensembles The new music ensemble, Polymorphia, focuses on performing recent works written in the 20th/21st century.

Music Theatre The Music Theatre Ensemble uses a revue format and performs at a variety of events throughout the year.

World Music Ensemble The World Music Ensemble program is one of the nation's largest, offering instruction and performance opportunities in diverse world music traditions. They have two world music festivals and a concert annually.

Glossary of Terms

Academic Year - Usually, consecutive fall and spring semesters, currently August through April; sometimes, however, summer semester is included in the term "academic year." In Florida, the summer term precedes fall and spring semesters in the school year.

Administrative and Professional (A&P) - A pay plan for middle and upper level administrative and professional positions. This pay plan category combines administrative employees, who are responsible for formulating, interpreting, and implementing policies that affect the activities of the University, with professional employees, whose responsibilities are on a recognized level of comparability with the instruction and research personnel of the University.

Articulation Agreement - The articulation agreement between all 28 Florida state/community colleges and the twelve state universities enables students to complete an associate in arts degree at any Florida state/community college and be admitted automatically into available upper division programs for the last two years of course work at any of the twelve state universities.

Board of Education, State - Board consisting of the Commissioner of Education and seven appointed members. This Board oversees Florida's education from kindergarten through graduate school (K-20) and the 13-member Boards of Trustees for each of the 12 public universities. See page 9 for a complete list of the board members.

Board of Governors, Florida - A 17-member board which coordinates the State University System and supports the role of the 11 individual University Boards of Trustees. The Florida Board of Governors is composed of 14 appointed members, the Commissioner of Education, the Chair of the Advisory Council of Faculty Senates, and the President of the Florida Student Association. See page 9 of this Fact Book for a complete list of the board members. More information can be found online at: fbog.org

Board of Trustees, Florida State University - A 13-member board which governs Florida State University. It is composed of six members appointed by the Governor, five members appointed by the Florida Board of Governors, the chair of the Faculty Senate, and the president of the student body. The trustees are appointed by the Governor, subject to confirmation by the Senate, and serve for staggered four-year terms. The board of trustees performs duties as assigned by law or by rule of the Florida Board of Education. See page 8 for a complete list and brief biography of the board members. More information can be found online at: trustees.fsu.edu

Chancellor of the State University System - Functions as Chief Executive Officer of the SUS. Responsible for the formulation of plans and programs and for providing overall direction and management to all areas of the SUS within authority delegated by the Board of Governors. Plans and initiates programs concerning all phases of operations within the SUS. Acts as Chief Budget Officer.

CIP (Classification of Instructional Programs) Discipline Code - These codes represent a nationally used, common taxonomy for the classification of higher education degree programs. The CIP classification describes content of the programs at three levels with each providing varying levels of detail. A directory of the CIP codes can be found online at: nces.ed.gov/ipeds/cipcode

Common Course Numbering System - Developed in 1978, the common course numbering system is a statewide system of prefixes and numbers for courses offered by all postsecondary and participating private institutions in Florida. Its purpose is to make transferring easier by identifying equivalent courses, all of which carry the same prefix and last three digits; the title of the course may vary at different institutions.

Contracts and Grants (C&G) Budget - A budget entity which deals primarily with sponsored research activities and federally-funded educational grants. Also called Sponsored Research budget.

Credit Hour - College credit is the type of credit assigned to courses or course equivalent learning that is part of an organized and specified program leading to a graduate, baccalaureate, or associate degree. One (1) college credit is based on the learning expected from the equivalent of fifteen (15) fifty-minute periods of classroom instruction. Credits for such things as laboratory instruction, internships, and clinical experience are determined by the institution based on the proportion of direct instruction to the laboratory exercise, internship hours, clinical practice hours (Source: 6A-10.033 (1)(a), FAC).

Educational and General (E&G) Budget - A budget entity which provides instructional programs leading to formal degrees, and for research and public service programs.

Faculty Assignments, Commitments, and Effort Certification Tracking (FACET) - System for tracking how an employee spent his/her paid university time during the period on each major academic function/activity. Reporting is on a basis of 100% of total time (in whole numbers), and portions of that time, regardless of the level of funded semester or monthly FTE.

Faculty - This category includes all individuals in the educational program who hold the title of Professor, Associate Professor, Assistant Professor, and Instructor, including those with titles preceded by the term "visiting," "adjunct," "clinical," or any other designation. The collective bargaining agreement currently in force includes in the faculty population all Developmental Research School (university lab school) personnel, all University Librarian classifications, staff physicists, and the President.

Fiscal Year - A 12-month period running from July 1 through the following June 30.

Glossary of Terms

Florida Endowment Trust Fund for Eminent Scholars - The Trust Fund established in the State Treasury for Eminent Scholars provides the opportunity for each state university to match and receive challenge grants to create endowments for selected eminent scholars to occupy Chairs within the university.

FTIC (first-time-in-college) - An entering freshman, or a first-year student attending college for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school).

Full-time Equivalent (FTE) Student Calculation Factors - In 2016, the Florida Board of Governors adopted the national standard for Student Full-time Equivalent. All FTE calculations in the Fact Book (including previous years) were updated to the new standard. For undergraduate credit hours, the annual sum is divided by 30. For graduate credit hours, the annual sum is divided by 24. Medical (MD) hours (Grad III) are excluded in the credit hour calculation, but the MD Headcount is added to the total generated FTE.

Full-Time Equivalent (FTE) Employee - A numerical designator for an appointment based on 100% for full time. An FTE for a full-time employee is 1.00. (Two people each serving in half-time faculty positions would equal, together, one FTE position.)

Full-Time Equivalent (FTE) Student - A measure of student enrollment based on the number of student credit hours for which students enroll. See definition of *Full-time Equivalent FTE Student Calculation Factors* for other FTE equivalencies.

Full-Time Student - Generally classified as an undergraduate student taking 12 hours or more in the fall or spring, 9 hours or more in the summer; or a graduate student taking 12 hours in any semester.

Instruction and Research Data File (IRDF) - A file generated from the Faculty Assignments, Commitments, and Effort Certification Tracking (FACET) file which contains detailed data on course section, enrollment, and credit hours, as well as funding and demographic information on instructors.

IPEDS (Integrated Postsecondary Education Data System) - IPEDS is the core postsecondary education data collection program in the U.S. Department of Education's National Center for Education Statistics (NCES). It was designed to help NCES meet its mandate to report full and complete statistics on the condition of postsecondary education in the United States. It is a single, comprehensive data collection system developed to encompass all institutions and organizations whose primary purpose is to provide postsecondary education. IPEDS is built around a series of interrelated surveys to collect institution-level data in such areas as enrollment, program completions, faculty and staff, and financing.

Major Code - A six-digit number assigned to an area of study designated as the student's major field. For internal classifying and reporting, the major code was replaced in Fall 2013 by the Academic Plan which is an alpha-numeric representation of the student major and degree type, combined. Major codes are still maintained on the Degree Program Inventory (*see Appendix A*).

Major Field of Study - Students are classified as majors according to their selection of a primary field of study. This field must be selected from approved degree programs and university approved majors within each degree program.

Occupation Code - A four-digit code which indicates the title and general description of the position to which a person is appointed. Occupation codes range from 0001 to 9179 and 9199 to 9499 for regular salaried positions. The range 9180-9198 is reserved for student related titles. Graduate assistants, post doctorates and fellows are appointed to classifications within this range. All codes within this latter range are paid through OPS funds. Faculty, A&P, and USPS may be appointed on OPS in the entire range of occupation codes; this, however, is limited primarily to faculty appointments.

Operating Budget - An expenditure plan developed for each fiscal year. The plan must conform to the annual allocation/appropriation and list estimated expenditures by budget category for the year.

Other Personal Services (OPS) - This is one of two sources of salary funds. Persons paid from OPS are performing temporary work of some nature. There is no continuing obligation on the part of the state toward persons on OPS appointments.

Preliminary Headcount Enrollment - The enrollment taken from the official data files of the university as of the end of the 28th calendar day of the term. This figure includes all students, fundable and non-fundable, who are on the Student Instruction File.

Race/Ethnicity - Categories used to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. They are used to categorize U.S. citizens, resident aliens, and other eligible non-citizens.

Glossary of Terms

Race/Ethnicity Categories - Beginning in 2010, a new methodology for reporting race/ethnicity was required by the U.S. Department of Education (https://nces.ed.gov/ipeds/Section/ana_Changes_to_25_2007_169). United States citizens and resident aliens are asked to first designate ethnicity as: Hispanic or Latino **or** Not Hispanic or Latino. Second, individuals are asked to indicate one or more races that apply among the following: American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Other Pacific Islander, or White.

State Fundable Student Credit Hours - Those student credit hours for which the University receives funding by the state.

Student Classification Level (from Student Information File) - Students are classified on division levels as follows:

Lower Division:	A student who has earned fewer than 60 semester credit hours, or a student who has not been admitted to upper division.
Upper Division:	A student who has earned 60 or more semester credit hours, or has an associate of arts (AA) degree, or is working toward an additional bachelor's degree.
Beginning Graduate:	A graduate student who has been formally admitted to a graduate degree program but who is not an advanced graduate student.
Advanced Graduate:	A graduate student who has been formally admitted to a recognized Doctoral or Post-Master's degree program.
Unclassified:	A student not admitted to a degree program, or not seeking a degree.

Student Course Loads (FSU Bulletin) - Students are classified on the basis of semester hours earned as follows:

Freshman:	Zero to 29 semester hours
Sophomore:	30 to 59 semester hours
Junior:	60 to 89 semester hours and all lower division requirements
Senior:	90 semester hours or student seeking a second bachelor's degree
Graduate:	Any student admitted to a graduate program
Unclassified:	Any student not yet admitted to a degree program, including: Special Non-Degree Seeking without Baccalaureate Degree Special Non-Degree Seeking with Baccalaureate Degree Provisional Transient High School Students

Student Credit Hours - A measure which is equal to the product of the number of students enrolled in a course section times the number of credit hours for the course section. Student Credit Hours for which the University receives funding by the state are called State Fundable Student Credit Hours (SFSCH). Not all SCH are fundable - for instance, credit hours produced by some fee waivers and by students enrolled for audit are not state fundable.

Lower Level SCH:	Hours generated by courses numbered between 1000 and 2999.
Upper Level SCH:	Hours generated by courses numbered between 3000 and 4999.
Graduate I Level SCH:	Hours generated by courses numbered between 5000 and 8999 and not Graduate II or Graduate III courses.
Graduate II Level SCH:	Hours generated by courses numbered between 5000 and 8999 and student's classification level is Advanced Graduate or the degree level sought is Advanced Master's, Specialist, Juris Doctorate, or Doctorate. The student program category must be an authorized Doctoral degree program.
Graduate III Level SCH:	Hours generated by courses numbered between 5000 and 9999 and course section type is Medical.

Student Instruction File (SIF) - A Florida Board of Governor's required file prepared five times annually (summer final, fall preliminary, fall final, spring preliminary, spring final) which contains specific data on all students, enrollments, course sections, degrees, and credit hours.

Tenure - The condition attained by a faculty member through highly competent scholarly activities which assures the faculty member security of employment and immunity from reprisals or threats due to an intellectual position or belief which may be unpopular, and which guarantees annual reappointment for that faculty member until voluntary resignation, retirement, or removal for adequate cause.
